Course Materials

Write That book course is best viewed on a computer or laptop, but you may use a tablet or even a cellphone if you like. Access to a printer will be needed to print out course information and worksheets. Even though you have the course at your fingertips, it is a good idea to take notes. There will be areas you will particularly want to hone in on.

The most important thing you will need is a commitment to yourself and to your book. Decide how many hours a day you are willing to write and stick to it.

Included in this course are worksheets, forms, guides, quizzes, and tools to help you reach your goal. You can access these easy downloadable PDFs at any time.

- **If you have purchased the Online Course with the Live Online Call component** included, you will have a zoom call (or similar) once a week. There you will be able to ask questions and discuss your book's progress. If you purchased only the ecourse, your questions will still be answered, just send an email to the email address listed in the course.
- The course includes one or more videos from professionals in the book world, writers, editors, independent publishers, and vendors all chosen to give you what you need to succeed.
- There is also a list of resources created specifically for you, the new or first-time writer. Be sure to review them at some point, there's lots of valuable information there.
- In the course you will find email addresses for the course instructor, the course assistant, and our technical problem solver. These emails are available to assure you get the best possible experience with *Write that Book!* course.
- **Disclaimer:** The information in this course is based on the opinions and experiences of the instructors, professionals, and vendors. Be advised that each one's results may differ. [Click here](#) for our complete Disclaimer.
